

Confiance Accountants, Tax and Legal Consultants (Pty) Ltd is a registered SAIPA (South African Institute of Professional Accountants) training office situated in Bellville, providing, amongst other things, tax efficient planning, accounting services and structuring for professional clients.

We are currently looking to recruit SAIPA Article Clerks for 2023.

The 3 year training program is regulated so as to provide experience in a wide spectrum of accounting, taxation, corporate law and related disciplines and culminates in the completion of the professional evaluation examination, which is conducted externally by SAIPA.

Applications must have completed a recognized B.Com/B-Tech or equivalent degree consisting of the following core subjects:

1. Financial Accounting 3 and Taxation 2
2. Auditing or Internal Auditing 2 or Internal Control & Code of Ethics
3. Corporate Law 1 or Commercial Law 2 and Management Accounting 2

During your three year learnership, you will gain the following practical experience including the following, but not limited to:

Processing of cash books

Calculation of monthly VAT and completion of return on SARS-E-filing

Calculation of monthly PAYE/UIF/SDL and completion of return on SARS E-filing

Reconciliation such as bank, debtors, creditors, payroll , VAT, Income Tax

Drafting of monthly management accounts of businesses

Drafting of individual tax schedules

Drafting of Trust financial statements

Drafting of Company/Close Corporation financial statements

Calculation of provisional tax, dividend tax, donation tax, capital gain tax

Review of assessments

CV's with full academic records and relative experience must be uploaded on:

www.confiance.co.za or emailed directly to Christine.schreuder@confiance.co.za
